

Appendix A Model Rules

Form 8 Application to register an amendment of rules

Associations Incorporation Act 1981

ABN: 13 846 673 994

Complete this appendix only if the association has decided to replace its rules with the model rules.

The model rules are contained in schedule 4 of the *Associations Incorporation Regulation 1999*. A copy of the model rules can be obtained from the [OFT website](#). If this application is approved, the registered rules of the association will be the model rules, read in conjunction with the information provided in this appendix.

Do not provide a separate copy of the complete model rules with insertions with this application if the association is seeking to adopt the model rules.

If the association wishes to add to or amend any other parts of the rules, the association is no longer seeking to adopt the model rules and will need to complete Appendix B - Own Rules.

If there is not enough space in a section in this appendix, note this in the relevant section and attach additional pages.

Other notes for completing this appendix:

- Rule 2 Name** The name must be the name registered with the OFT and must include the word 'Incorporated' or 'Inc.' at the end of the name. If the incorporated association wants to change its name, you must lodge a **Form 4 Application to register change of name**.
- Rule 3 Objects** The objects of the association should be stated fully. The income and property of the association can only be used to promote the association's objects and exercise the association's powers, so it is important that these objects fit the purpose and activities of the association.
- The objects also cannot be amended in a way that would result in the association not being eligible for incorporation under section 5 of the *Associations Incorporation Act 1981* (for example, the purpose of the association must not be to provide a financial gain to members, or an unlawful purpose).
- Rule 4 (3) Powers** This rule names the unincorporated association that the incorporated association was known as before it became incorporated. It should not have the word "Incorporated" or 'Inc' at the end of the name.
- Rule 5 (1) Classes of membership** All associations that adopt the model rules have 'ordinary members', which are unlimited (meaning there is no limit to the number of ordinary members there can be). If there are other types (or classes) of membership for the association, provide the name/s of the class/es and specify whether the class is unlimited or limited. The management committee cannot be its own class of membership.
- Provide the conditions of entry (membership eligibility) and membership limitations (if any) for ordinary members, and any other classes of membership (if any) for the association. Other classes could include associate, life, honorary or junior membership. If there are no conditions or limitations, write 'nil'.
- For example: *Associate members* Number of members: *No more than 100 at any one time.*
- Conditions of entry (membership eligibility):
1. *Must not be a registered hockey player with the association or a life member of the association.*
 2. *Must support the objects of the association.*
- Membership limitations (if any):
1. *May not vote at any general meeting.*
 2. *Not eligible for election to the management committee.*
- Rule 48 Financial year** This date is the date the association's financial year ends each year. Associations must hold their annual general meeting (AGM) within 6 months after the end of the association's financial year. This date is usually the Australian financial year end date (30 / 06 – i.e. 30 June) but should be appropriate for the association.

Rule 2 Name

The name of the incorporated association is Queensland Gliding Association Inc.
(the association).
